Celebrate World Breast Feeding Week

BMSG will be celebrating World Breastfeeding Week (WBW) at the Health Promotion Board on 22nd August 2009. It will be a fun-filled day of events for the three-generation family! To commemorate the event, BMSG will launch a virtual WBW site as well as a Chinese handbook on breastfeeding lovingly written and compiled by Mrs Doris Fok, International Lactation Consultant who was the first in Asia to be qualified as such. Mrs Fok has very kindly offered to donate all proceeds from the sale of the handbook to BMSG(S) to further the breastfeeding cause in Singapore. Look out for more information on www.breastfeeding.org.sg!
